

Starting State

```
graph LR; A[Starting State] --> B(task.UpdateState()); B --> C[Ending State];
```

A flowchart illustrating a state transition. It begins with a yellow rounded rectangle labeled 'Starting State'. An arrow points from this rectangle to a larger white rounded rectangle with a black border. Inside this white rectangle is the text 'task.UpdateState()'. Another arrow points from the right side of the white rectangle to a final yellow rounded rectangle labeled 'Ending State'.

task.UpdateState()

Ending State
